Welcome

Hervey Bay Golf Club boasts fabulous facilities for members and guests alike, with the native setting of the challenging 18-hole championship course, its well bunkered greens and excellent practice area.

We warmly invite you to come and play the course that annually plays host to the Kerry Campbell Homes Fraser Coast Legends Classic. Whether a member or casual social player, you will find the experience something really special.

Our resident Professionals offering game improvement lessons and a fully-stocked Pro Shop complete an exceptional all-round golfing experience, making us an outstanding choice for a corporate or charity golf day to remember.

Hervey Bay Golf Club presents a spectacular location to enjoy a round of golf and an equally captivating venue in which to entertain family and friends.

With wonderful views to be enjoyed out over the golf course, the Clubhouse Hervey Bay is a popular spot to relax for golfers and non-golfers alike, even more so now after the completion of a million dollar renovation and refurbishment.

Facilities include a spacious bar, café and bistro, children's play area, gaming area, bathrooms and a large lounge area featuring modern, comfortable furniture.

The Bar & Grill's delicious menu features tasty food at very reasonable prices, with regular weekly promotions offering even greater value.

The well-appointed Clubhouse also makes a wonderful venue for functions and special occasions.

*Come on in and enjoy the best little club in town!
Open 10am til late, 7 days a week.*

The Course

Hervey Bay Golf Club has a wonderful golf course that will delight everyone from the experienced golf professional to the casual player, with multiple teeing positions presenting the opportunity for players of all abilities to truly test their game.

The course is well bunkered and built on generally flat terrain with some gentle slopes. It is a 5,897-metre par-70 test for men, with two par-3s and one par-5 on the both the front and back nines. Women play a no less enthralling par-72 layout measuring 5,217 metres, benefiting from extra shots on the 9th and 15th, two of the tougher par-4s on the card for the men.

Always willing to embrace new ideas and cater to the changing needs of the golfers of today, the club even offers a short course measuring 3,600 metres from the white tees, with a par of 66 for men and 68 for women. It's perfect for those short on time but still craving a true golfing test, or for those looking to sharpen up their short game.

Golfers and lovers of the great outdoors can look forward to a real treat. Our magnificent course features a variety of unusual bird life and an abundance of natural flora. Kangaroos can often be seen hopping across the fairways, especially in the early morning or late in the afternoon.

Immaculate in its presentation, thanks to the hard work of the Course Superintendent and his dedicated team, the playing surfaces are second to none, with the fast, firm, true-running greens one of the defining features.

The fairways and greens are always lush as we have an abundant supply of recycled water and are not dependent on natural rainfall.

Yes, the course invariably looks a picture. But don't drop your guard in these picturesque surroundings, because there is a thorough examination of your golf game coming up and one that is going to require your full attention.

To score well at Hervey Bay you need to bring your A-game. That's "A" for accuracy. So the best advice is to pick the longest club that you feel you can consistently hit straight on the day. That's particularly true on the front nine, which though shorter features some doglegs and fairways that are lined with mature gum trees.

The back nine is longer, but slightly more forgiving and provides more of an opportunity for the aggressive golfer to open their shoulders off the tee.

Members or visitors who play the course regularly learn which side of the hole to leave their approach to give themselves birdie opportunities, rather than having to putt defensively to save par.

Course knowledge is everything, which is why after one round you will want to come back again and again. It's not only the golf, though. The location is idyllic and the scenery is special. You will be as thrilled to see our friendly local kangaroo colony lounging around on the course as they will be to see you!

Everyone will have their own favourite holes, though the par-4 16th is regarded as our signature hole. Don't let the modest distance catch you out, because it's a potential card-wrecker.

Apart from that ability to 'bite you' the hole is most aesthetically pleasing with the elevated tee box adjacent to the pond and the large dam in front of the green with the feature wall. When the aerators are providing the fountain backdrop, it is indeed a most picturesque hole. Don't forget your camera!

Members' Golf

If you love your golf, you will find plenty to appeal at Hervey Bay Golf Club. Our members can enjoy a calendar packed with competitions throughout the season, ranging from serious and prestigious events each carrying their own piece of silverware – such as the Club Championships – right through to much more relaxed offerings where the overriding aim is simply enjoying golf in good company.

Our men and women are active supporters of events run by their respective Golf Wide Bay golfing organisations and enjoy representing the club in the inter-district pennants played at the commencement of the year. They also represent the club with distinction in open competitions held at other clubs in the area.

The traditional Honour Board events such as the Men's and Ladies Club Championships, Mixed/ Men's and Ladies Foursomes feature prominently on the Club's annual golfing calendar. But it's not only scratch golfers who can write their name into Hervey Bay Golf Club history. Accompanying Grade competitions for players with higher handicaps means golfers of all abilities are given the chance to shine.

There are also several club competitions which act as local qualifiers with the winner going on to represent Hervey Bay in a regional event.

One of the most notable of these is the Holden Scramble, a Pro-Amateur club teams event which is managed by the PGA of Australia. This has become a date inked in most club's calendars with more than one million golfers from across the country having taken part since its inception.

Young or old, male or female, all are equally welcome. Age is no barrier to good golf, with thriving groups of players from both ends of the age spectrum to be found among our members.

The club has a large and active group of veteran golfers, who support competitions across the district run by the Wide Bay District Veteran Golfers' Association. They also enjoy trips together to play at other clubs where longstanding friendships have been fostered over the years.

Our men, ladies and vets all host open days during the golfing season, enabling members to bring friends to enjoy a game and to promote the club and its excellent facilities to the wider community.

The vets also play a full part in the hugely-popular Vets Spring Carnival of Golf, which is held over two weeks in September at Hervey Bay and other neighbouring clubs.

Men's competition day is Saturday. Women enjoy competitions on Saturdays and Wednesdays. There is a Veteran's competition on Mondays, a nine-hole competition on Fridays and medley events on other days.

There are a number of groups who enjoy social play during the week outside these times, so there is never any trouble finding anyone to enjoy a game with.

There is also the opportunity to enjoy the social scene at our sister club, Hervey Bay RSL, which hosts numerous events including regular shows and live music.

Special Golf Events

Hervey Bay Golf Club is proud to be the home of the Fraser Coast Legends Classic, one of the marquee events on the PGA Legends Tour schedule.

Former Major Championship winners Wayne Grady (US PGA) and Ian Baker-Finch (The Open) along with Australian golfing legends such as Rodger Davis (a former joint winner of our event), Peter Fowler, Michael Harwood, Michael Clayton and Peter Senior all feature regularly on the PGA Legends Tour, which is the golf circuit for professional golfers aged 50 and over.

Held over a weekend in July/August and played over 36 holes, with an accompanying Pro-Am competition, the Fraser Coast Legends Classic is certainly an event not to be missed for golf lovers. It allows spectators to get close to some of the best Australian golfers ever to have swung a club and the opportunity to see some very good golf.

Amateur players, though, should note that Hervey Bay Golf Club hosts several feature amateur golf events during the season which are open to members and players from other clubs.

These tournaments always receive wonderful support, are well received by the participants and give the club the chance to showcase its excellent facilities to a wider audience. They include the City of Hervey Bay Men's Open and the Ladies Open Carnival, which are both staged in October.

Details of these – and our other showpiece events – are always publicised well in advance on the club website, www.hbgcc.com.au

Juniors

Hervey Bay Golf Club prides itself on being a family club and is a great place for juniors to learn to play the game.

We are committed to turning hopeful young golfers into the best players they can possibly be, offering a safe and supportive environment in which to develop and a place where they feel welcome and can make new friends.

Our junior coaching program is one of the best in the area and we have a keen group of youngsters of all ages who enjoy play and structured coaching sessions on nominated days of the week.

Depending on their age and ability, the kids are initially placed in groups who play three, six or nine holes each week, with coaching taking place on the practice green and driving range.

Each child is taught the basics, so they have the foundations in place to be able to go on and enjoy a lifetime's good golf.

As they get better, and confidence improves, the juniors can then join their more experienced peers who play on Sunday mornings, thereby opening up a whole new world of golfing opportunity.

Parents and grandparents caddy for the juniors, meaning they get to share some quality family time together while enjoying the great outdoors.

Our coaches are patient, understanding and encouraging. Support is given to players of all abilities and every encouragement given for the high fliers to realise their golfing dreams.

No pressure is applied, but the club's juniors are encouraged to play in competitions and carnivals at other neighbouring clubs to gain experience, as well as enjoying the annual Hervey Bay Junior Carnival in November. There is also the opportunity to represent Hervey Bay in interclub play against others in annual pennant competition.

The club has produced some very talented young golfers, with some going on to earn representative honours, an achievement that makes their family and everyone here at the club immensely proud.

Whatever their level, golf is a great sport for children to learn. It teaches respect, focus, concentration, coordination and, above all, goodwill towards others.

Take a look at the dedicated Hervey Bay Junior Facebook page – facebook.com/HerveyBayJuniorGolf – which will give you an idea of how much fun the kids have.

For details of how your child can enjoy golf at Hervey Bay Golf Club, please call the club on (07) 4128 4249.
